v. verbal

Warm-up

Solo deduction puzzles - paper and pencil only

One word from each bank is the hidden answer. The guesses below already have their feedback.
Cross out words that contradict a clue, then write the only possible answer. No new feedback is needed.
Accents and cedillas are normalized. Plurals are allowed. You need no dictionary or device.

= correct place ~ present elsewhere x no further copy of this letter

Repeated letters count: x can mean no extra copy, even when another copy is marked = or ~.

Each puzzle has exactly one answer within its printed word bank.

Every clue is needed: removing any one leaves more than one candidate.

A complete paper game: no hidden-answer lookup is needed while solving.
